Do you have any concerns regarding this practicum student's professional skills? If yes, please list your comments below.	No
General Comments:	Haley displayed the flexibility, empathy and professionalism necessary to partner in a culturally responsive way at Saint Bernard Mission School. She has a quiet, measured approach to learning with children that in this context serves the children well. I hope Haley considers future trips to SBMS - along with other opportunities to serve children with a Native American background - or other children in areas of need.
